Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: applicant called the examiner to clarify the confusion of paper Num. 05192005 in the 103 rejection, as the citation referred to using Kitai '667 in the heading of the 103 rejection and used Click '051 in the body of the rejection. The examiner notified the applicant that Kitai '667 is the main used reference, therefore, in the body of the 103 rejection Click '051 meant to be referring to Kitai '667. Based on the clarification the examiner notified the applicant a proper response is required.
